Dear Matt:

Thanks for a job well done. Wanted to share with you the enclosed letter from the M.L.E.O.T.C. Without the excellent instructor staff, I'm lucky enough to have working with me on the academies, the high post-test scores would never happen.

Thanks again for your continuing support, your expertise and being the wonderful person you are.

Sincerely,

  
John Bruhns  
Academy Coordinator

Greetings, John:

Congratulations for another school well done! The class average on the M.L.E.O.T.C. post-test was 83.8, which is the highest score ever recorded for the Macomb police academy and second highest ever scored for the state.

The excellent scores recorded dependably over time at Macomb reflect your consistent effort and dedication for producing the 'best' competent police officers possible.

As a result of your successful hard work, I am certain the police service, and the public which it serves, has benefited immensely.

May you continue with such good fortune.

Respectfully,

Richard A. Talley  
 District Representative  
 Operations Section
