

HOME INVASION

Tactical Response Course

You should feel safe at home !

It should be a refuge against intruders and the outside world; a place of peace, comfort and security. Unfortunately, this is a mere illusion unless you take particular safeguards against a home invasion.

Home invasion is a growing crime in which criminals force their way into homes, while you are at home, in order to commit crimes, like burglary, assault, rape and murder. Because the home is supposed to be a safe place for those who live there, home invasion is frightening and emotionally scarring.

Property Crime Facts (According to the FBI in the US: www.fbi.gov):

- One property crime happens every 3 seconds.
- One burglary occurs every 10 seconds.
- One violent crime occurs every 20 seconds.
- One aggravated assault occurs every 35 seconds.
- One robbery occurs every 60 seconds, or 1 minute.
- One forcible rape occurs every 2 minutes.

Home Invasion Facts:

According to a United States Department of Justice Report:

- 1 of every 5 homes will experience a break-in or home invasion. That's over 2,000,000 homes!
- 38% of assaults & 60% of rapes occur during home invasions.
- Statistically, there are over 8,000 home invasions per day in North America.

There are ways in which you can protect yourself from home invasion !
